When the first choice
 make up out, but at
 the same it can not
 possibly be true to the
 neglect of the officers,
 but rather to the wanton
 spirit for destruction, that
 our soldiers, sometimes
 indulge in, when not
 under the eye of their
 superiors.

I certify that during the
 Eastern part of last May
 or earlier part of June,
 that the Company of
 11th Regt. 1st Div. of
 this Brigade were com-
 manded on the premises of
 Chas. G. Blake of Harris
 Co. & that his wheat crop
 was greatly damaged:-
 It would be improper to
 charge this to lack of
 attention on the part of
 any officer, as every one
 of the men of this
 Co. went in force to the
 Shandon, and his
 land to the 11th Regt. of
 this Brigade was done
 as before stated by the
 men of this Co. who had
 broken down the
 fence to go into the
 command, it is a case

Alb John D Thomas and H. W. Martin Citizens of Henrico Co do
do certify on oath that we were well acquainted with
the crop of wheat raised on the farm of C. G. Paterke
in said county, in the summer of 1864 and do estimate
the damage to the said wheat crop at three hundred and
seventy five bushels. And do also certify on oath that
the damage was done by the Horses and teams belonging
to Brig Genl Powers' Brigade who were camped there
in the month of May in the year 1864.

This day personally appeared before me John D Thomas and
J. W. Martin and made oath that the above certificate
and estimate are correct and just.

Re: promotion of
Capt. A. Talpary and
Capt. T. L. Col. in
the 1st Regt. Artillery.

Respectfully
I recommend Major & A.
Talpary and Capt. T. L. Col.
to be promoted to the grade of
Major & Capt. respectively.

Very respectfully,
Saml. Cooper.

I am quite qualified if
Major Talpary could receive
the advance of grade. He
charges with very impor-
tant duties in this bureau.
I do not think I venture
much in saying that
he is a valuable officer.

equivalent to the rank
suggested - quite as much as
as those of any act of the
of equal rank with an army
in the field. He was a graduate
of the Military Academy in July 51
& resigned from the army in
Aug 1857 as 1st Lt. Chfy.

While mentioning his claims
to consideration, I cannot
overlook the claims of
another officer ~~and duty~~
in this bureau who is charged
with equally important duties
which are zealously discharged
by him with intelligence &
ability. I refer to Major Clay
the senior Major in the Art.
Bn. of the 1st Regt. Art. He
has some experience in the
field under Lt. Gen. Kirby Smith
who was so much impressed
with his efficiency that he
recommended him for the
appointment of Major Genl.
as he is in the Art. Bn. Major
Clay, while he is doing duty,
is a valuable officer in these times.

in the Art. Bn. I am urging
that such appointment might
not be conferred on him,
in view of the other officers
who have higher claims for
the promotion.

I have never been hasty in
recommending promotions
out of the ordinary course,
& in the instance above
referred to I feel that I have
been tardy in bringing
the claims of these officers
to the favorable notice
of the President. I would
now especially recommend
this promotion to the grade
of Lt. Col. as Lt. Chfy. Genl.
in the Provisional Army
under the Act of Congress
of Dec 31/61, No 337.

V. Cooper
Chf. Secy.

Let it be known that the recom-
mendations be made.

Sir.

The Quartermaster states that he cannot furnish a room for one of the hospitals. The sick are suffering for the want of it, & have no recourse but an order from you.

I would also call your attention to the fact that in, and around Bowling Green there are more than 1500 sick, and we are more crowded and pressed, than there is a possibility for accommodation.

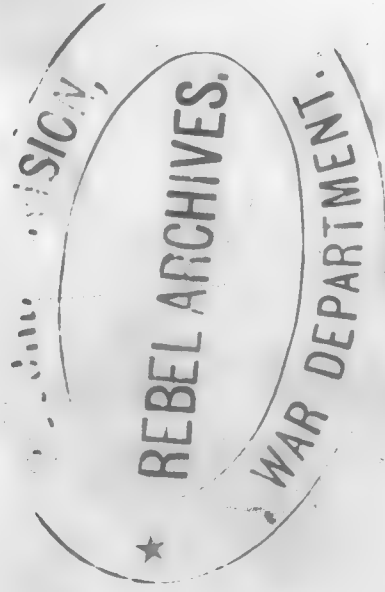

I would respectfully request that you authorize the Associates renting of a hotel which a noted Union-scriber keeps, and who has on various occasions been hauled up by the Provost Marshall for the sale of intoxicating drinks.

Another point is the exorbitant prices charged by the trading merchants, for all articles necessary for the sick. The Government ought not to be led astray by heartless speculators, and I would most respectfully suggest that a disinterested committee of three, one to be chosen by the merchants, one by the purchaser, the third by

the other two, and that a fair appraisal
ment be made for the goods in
question.

Most respectfully

Brig. General

A. A. G.

Headquarters Army of the West
May 17th 1862

Sir,

Agreeable to Special Orders no 88,
Surgeons Pallen, Bryan & Hammer proceeded
this day to examine the sick, report at once
upon their condition and examine into the
manner in which the Medical Officers do large
their duties", belonging to Maj Genl's General Division.

The results are as follows; that most of the
diseases encountered are attributable to such causes
as induce illness in new recruits, together with
the want of all appliances for comfortable nursing,
medicines, surgical appliances etc.

In the Brigade commanded by Col. Moore, the
Brig found 214 sick, of whom 20 per cent could
perform duty in case of an emergency. The prevailing
diseases were Measles, Dysentery, Diarrhoea and
Intermittent Fever. Most of them were convalescing.
The police of the Camp was good.

In Col's West's Brigade, 253 were reported
sick, the same remarks concerning Moore's Brigade
being applicable to this one. Police good. The
Brigade Surgeon declines to state as to the qualifi-
cations of the Surgeons, but before the answer to a
demand of a vaccination of all Medical Officers.
Scanty supply of medicines etc, but has sent
to Jackson Miss, to have a reputation filled
the 1st Brigade there were 500 sick, the
same remarks holding good as in the above Brigades.
Save that the men are not convalescing, the whole
is attributable the exposed position of the campment,
it being in an open field.

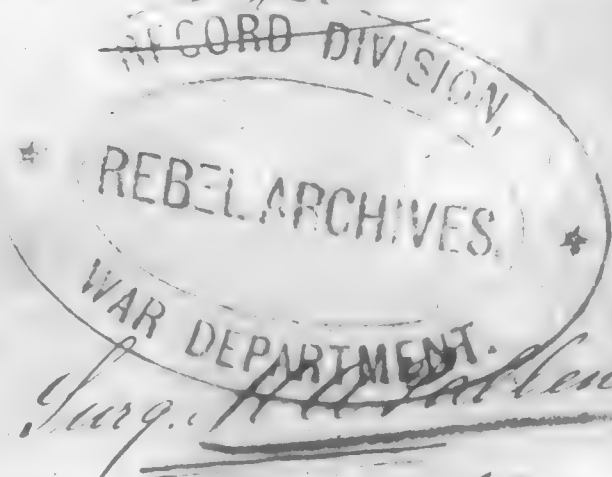

With much respect

I have been anxious
to see you for several
days to express my per-
sonal knowledge of the
fitness of Col Palmer
of one of our Tennessee
Regiments for promotion
as Brigadier General.

He is the oldest Col,
in the Army of Tennessee,
from that State & has for nearly
12 months been in command of
a Brigade. Was three times
slightly wounded at Shiloh,
Iuka & and again very
severely at Chickasawga.
but is now ready for service.
There is not a more worthy

a more gallant man
we can see any

I really think he has
won his spurs. I shall
feel highly gratified
if you can ever see him
in battle. I understand
there are now vacancies
to be filled ~~now~~ in that
army. He is entitled to
promotion by age as
well as by gallantry.

POST OFFICE DEPARTMENT,
APPOINTMENT BUREAU,

Richmond, Va., August 6, 1863.

Hon. Jas. A. Seddon
Secretary of War U. S. A.

Sir:

I am in the receipt of a letter from Col. J. B. Palmer of the 18th Tennessee Regiment, requesting me to ascertain the result of an application for his promotion, prepared by his Brigade Commander, at the instance and request of Gen. Bragg, and now on file in your Department. Col. Palmer entered the service in May 1861 and enlisted and organized the 18th Regiment, of which he was made Colonel in the early days of June, 1861, making him, by large odds, the ranking Colonel in the Army of Tennessee. He was wounded at Murfreesboro, and has been most of the time, since his connection with the army, under the observation of those recommending his promotion. Genls Bragg, Hardee, Buckinridge, and Brecken. His Adjutant was in this city some two months since, and upon application at the War Department was informed that the recommendation for his promotion

had been received, and would shortly be acted upon. . . but having heard from it since, he has requested me to call upon you personally for information, but aware of the great pressure upon your time, I have concluded to address you this letter and respectfully ask for a reply at your earliest convenience.

Very respectfully,
J. H. Clements
Chief of the App. Bureau.

I have been thinking
 much of late on the subject
 of the great duty of
 government in
 relation to the
 colored people.

Hon. James A. Seddon,

Sir,

I desire, respectfully, to call your attention to the merits of Col Geo. B. Palmer of the North Carolina troops as an Officer, & to his claims for promotion.

During the time that Col Palmer was under my command in the Dept of E. Tenn. he performed his duties with such admirable zeal & efficiency, that I have thought it due to so worthy an Officer to add my humble testimony of his merits to that of his other friends.

While I commanded a portion of that Dept, Col Palmer so ably seconded all my efforts, that upon the reduction of Cumberland Gap, I selected him for the command of that highly important position. This duty he performed in a manner which elicited my warmest commendation - the measures, by which he secured the safety of his position were thorough & judicious, and by his untiring energy & zeal, he kept the communi-

Richmond Division, Kansas City, Mo.

May 2nd 1863.

General

I most respectfully recommend Col Joseph B. Farnum of the 1st Division of the Tenth Army, as eminently worthy of promotion to the rank of Brigadier General. He commanded his Regiment in May 1861, and is now the ranking Colonel from Tennessee. He fought gallantly both at Laramie and Murfreesboro - winning honors, and was at the latter place, from which he was only recently returned. His Regiment is a very superior one, and owes its present efficiency in drill and discipline, to the care and industry of its Commander. Col Farnum is a native of Tennessee, and is now a resident of the State. He is about 38 years old. He is a brave and intelligent officer, well informed in all the details of the service. And as a gentleman, he has no superior.

I have the honor to be, General,

I have respectfully to recommend, for
admission to the rank of Brigadier General, Col Joseph B. Palmer
of the 10th Infantry, former Captain of this Division. His pres-
ent rank, date, June 2nd of May 1851 at which time
he was commissioned, as the Commander of the 1st
Battalion. He killed and disabled the Mexican General
and captured with it at Sonora, Sept 1851. Having
been captured with that Division, he was a Prisoner
of war, until September, when, being exchanged, he re-
sumed his command, and has ever since been in
service in this Army. He was severely wounded at Vera
Cruz, while leading a desperate charge, and had
scarcely recovered from the effects of that injury,
when he was wounded again at Chihuahua
while attacking that strong place, which cost the admi-
ration of all who saw him.

Col Palmer is about 38 years old - a native resident
of Kentucky - a General by profession - of high ac-
tivity and the best social position. His intig-

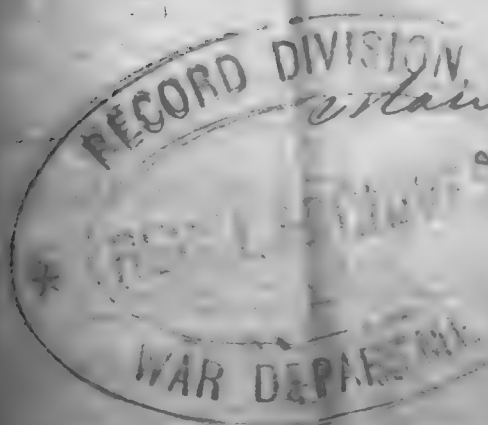

by whose character we have rejoiced, and
he is thoroughly versed in all the duties of the
officer and soldier.

I hope I will be excused for adding, that
while some of our former friends have been
promoted to the rank, none caught for him, it
may be considered, said, that none are his
superiors in merit or worth.

I leave the name to be signed

Sir

I know
of no one in our Congress
to whom I can more un-
hesitatingly apply for a
personal kindness than
yourself. And I also address
you with more freedom
upon the subject of this
letter, after your kind sug-
gestions while here.

It seems indiscreetly nec-
essary that I should have

some one at Richmond to
represent and insist upon
my claims for promotion
to the War Department. Although
the proper military recom-
mendation was forwarded to
the Department as early as
the month of April or May
last, it has not up to this
date so far as I am advised
aroused any attention. This I
suppose has been owing partly
to the general pressure of
business and to the additional
fact of my having had no
representation in Congress
to give the matter personal
attention. The object of this let-
ter is therefore to ask of you
the favor to take the matter
in charge and do for me
what you can in the premises.
I have but little to say as

To my own merits for promotion, but refer you and the Department to the history of my services as the best statement of the case. It is proper however to remark that I have been in command of a Regiment almost ever since the Revolution began. I am by commission the Senior of all the Colts. in the field from Tennessee unless it be Col. Tunny who is in the Army of the Potomac between whose claims and mine there can therefore be no possible conflict.

Unless I am misinformed I am also the Senior of all the Colts. in the Army of Tennessee, now under command of General Hooper. My information is that other things being equal the Department regards seniority

in all applications for promotions; hence reference is made to it. It may not be improper also to remark that for a period of nearly three months including the battle at Manassas I was in command of a Brigade, and in the reports of that Battle received a compliment from my superior officers for having done my duty both gallantly and efficiently. My character as Regimental commander is sufficiently known to the Department and to the country without further reference to it in this letter.

I have felt it due to myself to make this brief allusion to the history of my services in order that you may be able to represent me the more intelligently to the Department.

Dear Sir

REBEL ARCHIVES. *

I have not been able to send
a word from you since I left you, in fact
I wrote to General Sherman from Jackson. but
I have no idea whether he received my letter. And I am
waiting for Grant to raise the siege of Vicksburg, so
that I might send back after my trunk, but with
good luck happened. I have been very uneasy about
in all, as to the depredations of the Rebels
as you are, and would be very glad to hear from you.

General Sherman was at last included in letters
with the Court of Inquiry. And has made his own
Report of his operations in Arkansas, which is
truly satisfactory in administration. He has
been assigned to the command of Miller's Divi-
sion in Texas country. And I suppose we will
get off from here in about a week. I wish you
would write to me at Chattanooga since
the case of Major Gen. Sherman.

I saw Sam Ricks of Jackson yesterday and he
told me that Thomas had got the larger part of our
negatives across the River. I trust that they will be
so. I believe that Grant is now only taking the
force at the border regions of which he makes sol-
diers. I am so that he refuses to let officers, servants,

leave Petersburg, even though they wanted to go on.

I had a letter from home while I was at Jackson dated the 10th April, which is the only one I have received since I left them. My family were improving in health. That I feel very nervous about now.

I saw Dick. Allen, of Fayette County, who has been staying at Richmond for the last few months. He had a letter from his wife some weeks ago, in which she mentions the death of Robert Hager who died in March last.

Things look gloomy for us now, but I do not despair. I think that Almighty God will, in his own good time, manifest himself on our side. Perhaps, however, only after much more suffering & chastening the people. The spirit of extortion and speculation has become so general, and most of those who have not suffered, whose property remains to them intact, have become so intensely selfish that they ought to be visited.

I enclose a letter for Ellen Coleman, which you will please forward.

I will write you again from Chattanooga.

Give my love to Cousin Mary Ann and the girls. And write soon.

In my Return for August
for Simsted's Regiment, you
will notice one error: viz, the
amount of beef received from
Capt Briggs A.C.B. who had been
acting for Col Shaver's Brigade.
It is there reported as 2000 lbs
whereas it should have been
7000 lbs. This will reduce the
amount gained in furs, in
a corresponding proportion.
This is a matter of small mo-
ment to me, but may be of
some importance to Capt Briggs,
(deceased) whose ^{account} ~~estate~~ will have to
be settled by some one.

Have you been able to get
any paper yet? If you could
manage to send me half a
ream of foolscap paper I should
be very glad. You know you
promised to do so, if you could
get it.

I have on hand a number
of due bills against officers to
whom I have been compelled
to sell supplies - and who
are now a good ways from
my field of operations. I would
be glad if you would inform me
what course I ought to pursue
with regard to them. Am I
to be held accountable for the col-
lection of accounts made by officers
who are now out of my reach?

I have taken the liberty of enclosing
to you a letter for General C. Smith, & I believe
to Miss. Smith & I am sure with the name
in South Mississippi and I have no doubt that
Mr. Smith is in the service, & if you know
where he is, please to send it to him. And if you
do not, please to send it to Mr. C. Smith with a
request that he will forward it.

Gen. Sherman has at last concluded his labors
upon the coast of Virginia, and is now en route
from Richmond to this place, from whence he
will proceed to Chattanooga, to take command
of Wither's Division. His old staff accompany
him, and I hope that we will visit Kentucky
during the summer and fall. I would like very
much to see some old friends about Lexington.

General

The telegraph says you have been appointed Secretary of War. For my country's sake, I hope it may be so.

As a personal friend, and that friendship cemented by a forced absence from that dear old Kentucky, that we love so much, I write to you about Gen. Hindman. Give him a command something like commensurate with his capacity, and let me go with him as his Commissary. He is a working man, and makes everybody about him work. I like him for that, for I am proud of my reputation as one of the working officers of the Army. If you have not read Gen. Hindman's report of his operations in Arkansas - read it. I was a witness to what it recites. I was one of his subordinate laborers. And I labored with a hearty good-will that nothing could daunt. I did more work in that 70 days, than I ever did in a year before or since. With the same incentive to exertion, I could do it again.

I have applied for a transfer to the Trans. Miss. Department; but I would rather serve under Gen. Hindman, he having a good command, than

Feb 65

to serve in any other capacity.

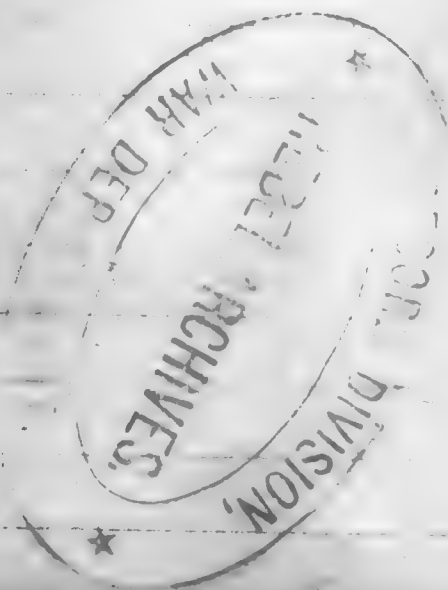

I will not trespass longer on your time and
patience, than to wish for our speedy independence,
and that you may occupy your proper
position in the new Republic

Your friend
John C. Palmer
Major C. S.

Nov. 16, 1863.

At this season of the year
near it is all important that the District
Commissaries should devote the whole of
their time to the accumulation of supplies for the
Army. I now consider much more important
than the issuing department. I doubt if the
Bait District Commissaries in this State
are issuing Commissaries. If and they cannot
do justice to the purchasing & issuing departments
both at the same time. I allude to Major
at B. Hayes, and Major J. P. Baldwin, both of whom
at this season of the year could render much
more valuable services if they were relieved
from issuing and allowed to devote themselves
exclusively to the purchasing of supplies.

I hope you will relieve ~~the~~ and besides
send two more issuing Commissaries to
the Civil & Indian District, in addition to the
one recommended by him in the place
of Major John Bleck, about whom you
interviewed me.

Joseph Palmer, clerk of a Major Hayes
has been so long under him that he would do
better than anyone who could be assigned to
the Post at Tallahassee. I recommend that he be
commissioned for that Post. Truly yours

Sir,

I would respectfully
ask leave of absence for forty days from the

quires about seven days to go, and the same to
return which would give me a very short time
at home. I have not been home since last Janua-

single day from any cause whatever.

Dr Williams

Medical Director

Sir

I respectfully ask for forty days leave of absence from the first day of January and in asking this favour I would state that it will not be necessary to assign any other Medical Officer to duty in my place, as I have so arranged matters in this Hospital, that my assistants will perform all the duties during my absence. And Dr J P Hall being the senior will be in charge.

My reason for wishing this leave of absence is that my Mother died ~~four~~ weeks ago, and leaves to my care, an unfortunate Sister who has had Epilepsy for many years, and has lost her mind in a great measure from the effects of it. It is actually necessary for me to go home to make arrangements for her care and comfort.

I have also been invited to perform two very important Surgical Operations during next month, on persons who cannot leave home to seek surgical aid, and there are now no surgeons in that part of the county who perform important operations

Very Respectfully

Asks for some

Of Capt. H. B.

U. S. R. Recd July 2/64

Howard: Green: New York
June 11th 1861

Surgeon Spencer has been absent, sick, from his
post now sixteen days, and I see no prospect of his being
able to duty for some time. The senior assistant in his
division is sick also. Surgeon H. H. H. is absent, with
out leave, and the senior assistant in his division is
sick. This throws all the business of both divisions
on me, and I have worked, and have patiently
hoping that these gentlemen would be able to attend
to their duties, each day, as I would regard it as
but being disappointed. I find that I am anxiety
ing my strength and I therefore respectfully ask
you to send me two or three assistants who are
attached to the station of the hospital, so that I can
assist to their health. I would like for them to be
sent immediately if possible.

Pro: resubmitted to the
Secretary of War, - its pro-
posed legislation of Congress
on this subject, (and for
which this paper was pre-
pared) failed of its object,
it is respectfully recom-
mended that the military
appointments for the Staff
of Lt. Genl. Hill be made
as follows -

H. H. Palmer. Lt. Col. ret. 1864
H. N. Sharke. Major ret. 1864
thus placing the staff
appointments of Genl. Hill
on a footing with other Genl.
officers of like grade.

Adj. Gen. 3^d Army Corps
March 14th 1864

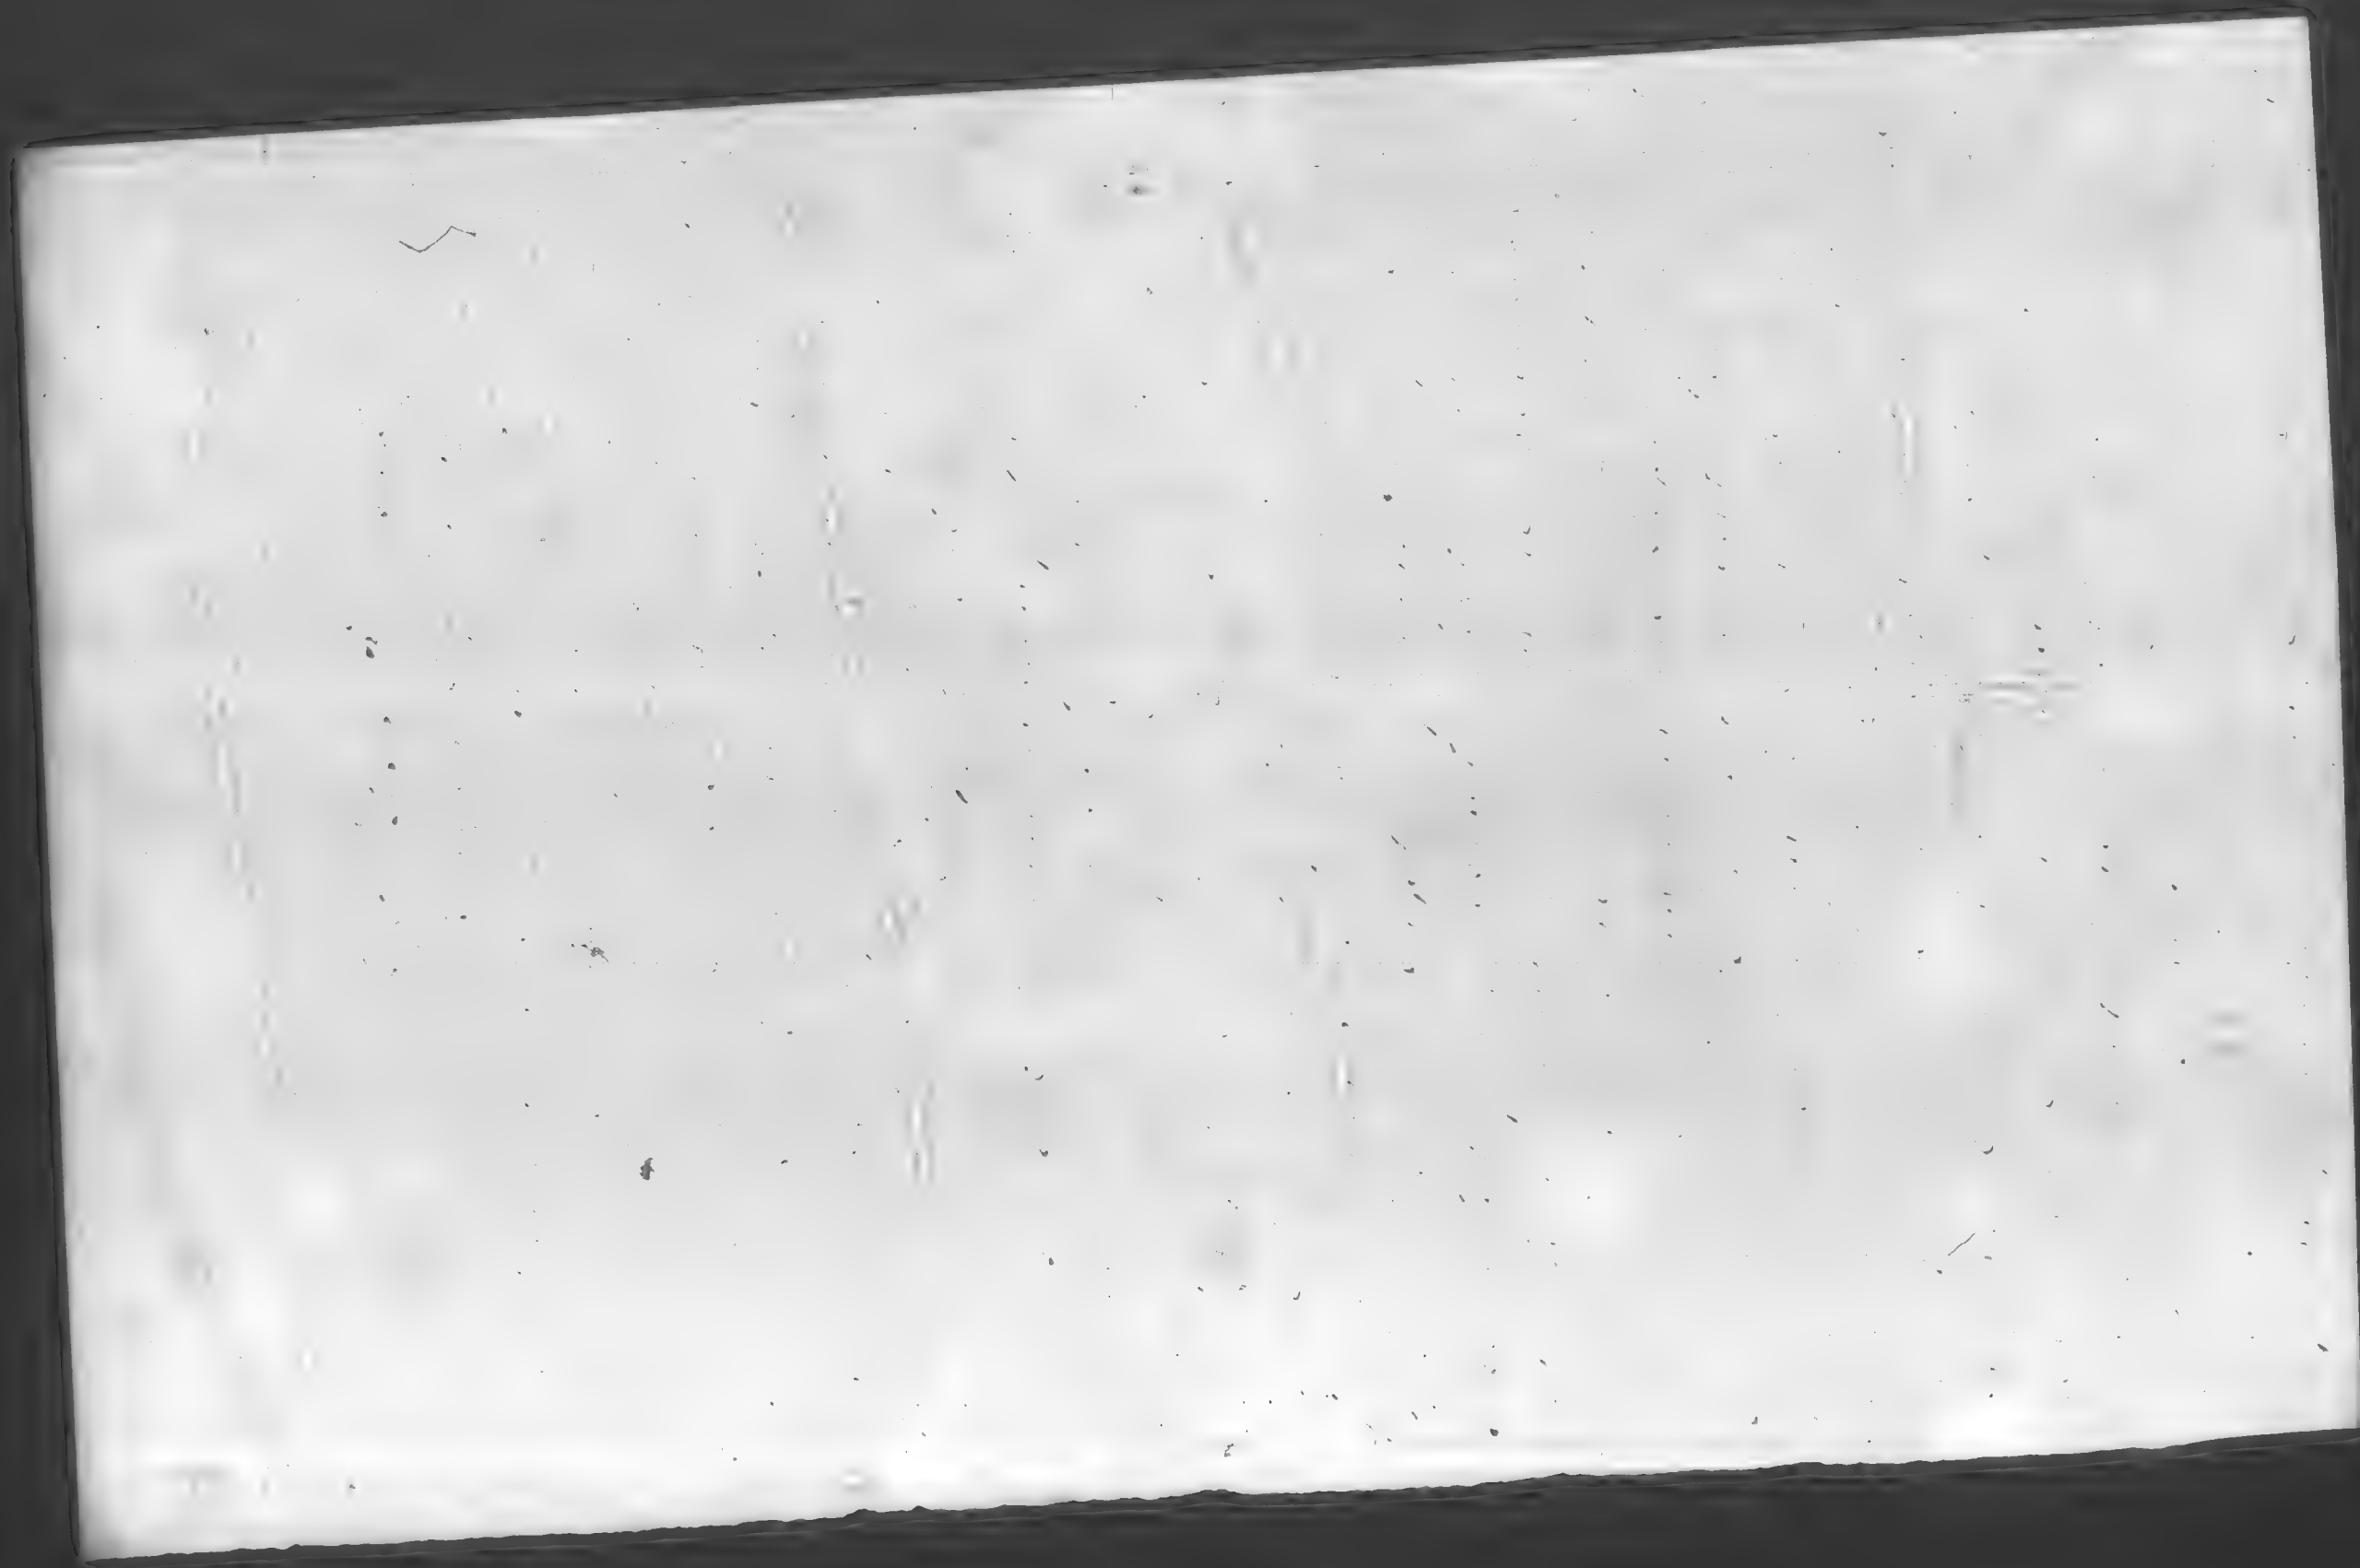

General

I have the honor
to acknowledge the receipt of
your letter of the 11th and would
state in reply thereto that if I
were to be restricted to two officers
of your Dept. I prefer Major Wm
H. Palmer, and Capt W. H. Starker
I respectfully state however that
the business of this office cannot
be done with only two officers
of your Dept. - The current duties
of the office require the constant
attention of one; the inspection
is constantly engaged in the
field duties, and the rapid
transaction of business by the
Military Court requires the undivided
attention of another -
The President is probably not
aware of the great amount of
additional labor brought into
the office of the Adj. Gen. by these
Military Courts. The Military

Court of this Corps tries from
five to ten cases each day
and the duties occupying all of
these trials consumes the whole
time of our officers

Esteemed Sir,

From a remark you
were pleased to make ~~in~~
upon the presentation of
Genl. H. H. Bell's application
for the promotion for his rank
of Staff - Major H. H. Palmer
to that of Lt Col - and Capt.
Starke to that of Major, I feel
it due ~~due~~ to Major Palmer
to say - he entered the service
as a volunteer in the 1st Regt
of Va. at the very commencement
of the struggle, with the firm
determination to continue in
the service to the end of the war
at the sacrifice, by what it
might - to this resolution he
still adheres, with consistency

I am perfectly satisfied
Genl Longstreet and
A P Hill have publickly
acknowledged the valuable
services rendered them by him
as A A Genl. in various
engagements tedious marches
and desperate charges.

In the first Campaign
into Maryland he was on
the staff of Genl Kemper
and took his part in all
of the battles of that Camp-
aign - I have not the
pleasure of an acquaintance
with the Genl. but I can
safely say to him
with the consent of Genl
Kemper upon the appli-

= Citation of Genl. A. P. Hill
he was transferred - to his
present position A. A.
of 3^d Corps and is as
permanently in the A. G. H.
Department as Col. Wither.
No longer in Command
of his noble and brave
1st Va Regt in which
he served and Commanded
until reduced by casualties
so low in number that Genl
Hill said in his application he
could give more service upon his
staff than in his Regt -
Hill's application for promotion is
filed in your office regularly with
Genl. Lee's approval With Very
High Consideration J. G. & J. Palmer

I addressed a note to the Adjutant General a few days ago requesting that I might be allowed to recall my resignation tendered a short time since. Objections of a serious personal nature were the cause which induced me to take the step and Major Mitchell advises me that upon addressing a letter to you I can succeed in getting the acceptance of my resignation withdrawn. My objections are so weighty against remaining at this Port that I cannot consent to the recall of my resignation unless I am immediately sent to some other Port. — I am very willing to go to act as Quartermaster for the collection of the war tax or to go to Franklin Depot where Major Mitchell (Gen. Longstreet's 2. M.) says a Quartermaster is much needed. I would however be loath to collect the war tax. I understand a good many Quartermasters are wanted for the collection of this ~~war tax~~ ^{war tax}. If you can favor me in regard to this matter I would be under obligations. I cannot remain here with the best feeling of self-respect. — I did not resign for the purpose of getting out of the service, but for the simple ^{reason} that I could not honorably remain at my present Port. It is my wish to continue in the Department if I can be sent elsewhere.

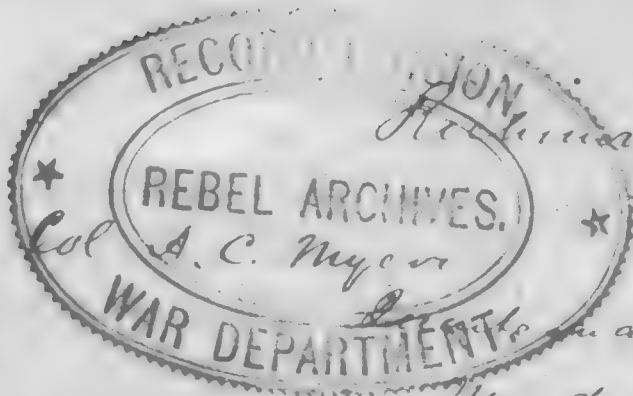

Most Respectfully yours

After resigning my Commission as Capt. & Assistant Quartermaster in the Provisional Army last summer, I made application for a reappointment which application was referred to the Quartermaster General who reported that there was a vacancy. I am advised that vacancies are constantly occurring, and I respectfully request that I be re-commissioned as Assistant Q^r Master. My experience is larger and more extensive in the Quartermaster's Department than in any other branch of the service having ^{acted} as Clerk for a Regimental Q^r Master previous to my receiving a Commission in the Department, and I fully assured that I can render more service in that capacity than in any other. My reasons for tendering my resignation were of a personal nature which I have satisfactorily explained in my previous application.

Sir. I have the honor most respectfully to apply for a reappointment as Capt 2^d M^r in the provisional army of the Confederate States. My resignation was tendered on account of a personal difficulty with the Commander of the Port, and my action in regard to the matter was justified by every officer with whom I was connected. Major Mitchell then Chief 2^d M^r of the Department of V^h & R. That Lt. T. Pardigon was employed by me
last spring as instructor for the 2nd Regt. U.S.C.
chiefly in the bayonet exercise & skirmish drill.

Our association was entirely satisfactory &
I parted with him with great regret. He is
an accomplished gentleman, of liberal education
& agreeable manners & entirely proficient in
the various branches of the military art.

I have met few men who, in my judgment,
possessed higher qualifications for a position
in the army, and I most cordially recommend
his appointment to the office he seeks.

J. B. Kershaw
Maj. Gen. U.S.A.

It may appear in reading my testimony to that
of Gen. Kershaw in behalf of Mr. Pardigon. Before Mr. K.
commanded I knew him as a gentleman. At the beginning of
the war he rendered essential service by introducing & train-
ing the French work on the 3rd and 4th Regts. U.S.C. He
the 1st and 2^d Divs. in the 1st Div., and has been under
my command for nearly one year, a period most satis-

Prior to the capture of the 46th Regt. I. C. Vol., the

and has since accompanied my Div. He is a
gentleman, a scholar and an accomplished
soldier, as true as he is in all respects a earnest

he being fit for any service, but especially
in Infantry.

Headquarters Wise Brigade

6th of October 1863

To Honorable James O. Seddon
Secretary of War

Sir,

I respectfully apply to you for an appointment as "Drill-master" with the rank of Lieutenant, as I understand that by act of Congress of the 19th of April 1862 the President of the Confederate States is empowered to appoint Drill-masters with the rank of Lieutenant.

I do not make this application with the view of being assigned to duty in "Camps of Instruction" but, on the contrary with the special purpose of drilling troops already in the field in the "Bayonet Exercise and Skirmishing Drill," besides performing, if required, any other duty incumbent upon a Drill-master.

I have been acting as Drill-master for a long time. In the months of May and June 1864, I drilled, in camp at Bull Run, in the "Bayonet Exercise" the 2^d Regt. of S. C. vol., and Reg.

gen. Hershaw in a very commendatory letter written in May of the ensuing year, testified to the efficiency both of the method and practice. The letter was shown to Brig. Gen. Henry A. Wise and sent to the Secretary of War in May 1862.

I would also solicit the favor, if appointed, to be ordered to report for duty to General Meade or to Brig. Gen. Henry A. Wise.

As for the method which I use in the "Gymnast Exercise" it is the same which is in practice in the French Army and is now known in the Confederate States where it was for the first time published as - "Lieut. Col. R. Milton Cary's Gymnast Exercise". In the introduction of the little book referred to, the services rendered to Lieut. Col. Cary in getting it up, are very friendly acknowledged by him.

I remain, Sir,

With great respect,

Your obedient servant.

C. F. Sanderson

Private, acting Drill Master,
detached from Co. A 46th Va. Vol.
Wise Brigade.

Private C. H. Paragon has belonged
to Genl. Wm's Brigade as a private
& drill instructor from early in the
year 1861 until the present time. We
have always found him a loyal
gentleman, zealous in the service, highly
intelligent and perfectly master of
the sword & bayonet exercises. He has
been for months detached for drill
master's duty, has originated some
valuable publications for the Confederate
Army & deserves the promotion &
position he asks & for which we
cordially recommend him.

I have the honor to
recommend Mr. William H. Park for appointment
as First Lieutenant of Cavalry, and to ask his assignment

I am not too urgent when I ask your immediate
consideration of the nomination now made. I am
rapidly preparing my command for the Spring Campaign

mentioned. His proficiency as a graduate of the

character, fit him eminently for the appointment.

On the 17th of March last, Mr. W. L. Park, on an application filed in the Bureau, was appointed 2^d Lieutenant in the Provisional Corps. Various efforts have been made to communicate with him so as to transmit his commission & assign him to duty, but he has hitherto neither acknowledged the Bureau letters nor signed its receipt of the appointment. As it appears from the papers filed in his behalf that his associations were chiefly in S. W. Virginia, he having been formerly on topographical duty in that section & recommended, amongst others, by Brig. Genl. Echols & A. S. Jenkins, please make inquiry concerning him & transmit to the Bureau any information you may be able to collect as to his present address.

Sir:

I beg leave earnestly to call your attention to my previous letter to the Secretary of War, and to you, recommending Mr. H. K. Park for appointment as first lieutenant of Engineers, and, if possible, his assignment to me for duty as the commander of my regiment, from which I am next mustered.

Permit me to repeat that Mr. Park is a graduate of the Virginia Military Institute, with distinction in all studies and duties, and especially in Mathematics, in which he stood the first in his class. He has had experience since the war in the Engineering Corps, having been employed and placed on important duty as Asst Engineer. His attainments, assiduity, and character eminently fit him for the appointment of first lieut. of Engineers, which I hope you will confer on him promptly, and, if possible, order him to report to me for duty.

Very Respectfully,

Yours ob. Servt.

Sir

I hereby make application for a Commission as first Lieutenant of Engineers in the Provisional Army of the Confederate States. I am a graduate of the F. M. Institute - graduated first on Math. - have been repeatedly recommended to the Government of Virginia as "Distinguished" held a Commission in the F. A. of Virginia - was afterwards Adjutant of the 36th Va. Regt. - and since the 4th of April have been in the Engineer Department by appointment of Genl. Heintz. A refuge from the ranks of the Army I have sought, in a measure, upon my own cautions for Advancement, since many of those whom once I numbered among my friends are now engaged in the struggle against us. For recommendations, however, I can respectfully refer you to those filed last winter in support of an application for a Commission in the Regular Army. Hoping that my claims may be favorably considered

Sir

A few days ago I sent
to your department by mail, Monthly Summary
Statements for August, September, October, November,
and December. These differed from those forwarded
with my returns in this fact, to wit, the embracing
in them the balances due the Government on
Statement for July.

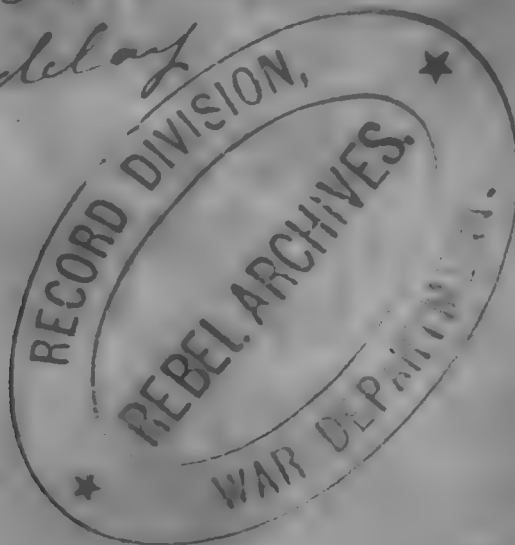

It was then supposed that
my regimental accounts would be kept separate
from my Brigade, but on speaking with Maj
Williams he advised they be consolidated into one.
I will therefore be greatly obliged if you will send
back to me, filing ~~them~~ latter in their places, those
first forwarded.

Sept 30 1864

Dear I Cooper

I have the honor to receive your resignation of my position as 1st Lt of 1st Regt (1st Mass) and I am sorry to hear of your departure from the responsibilities and annoyances.

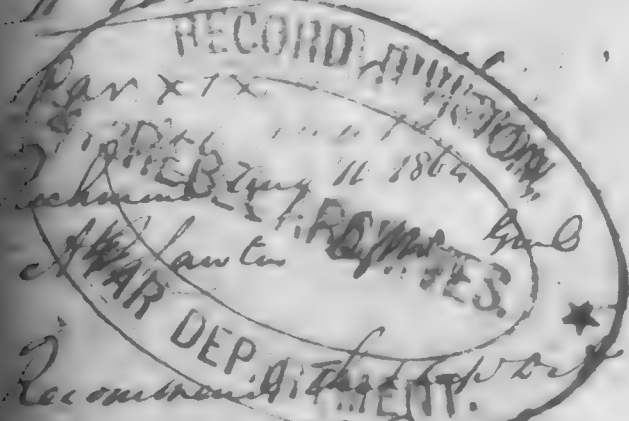

I volunteered in June 1862 as 1st Lt of a company in Infantry to June 1862 after which it was promoted to Capt of my Company with which I served till April 1863 when I was advised by my friends (owing the condition of my health) to accept the position of 1st Lt. I have fought through several bloody battles under the Southern flag - have been twice wounded. But when standing I prefer going back to the service. Since I hope my resignation may be accepted & I allow you to select the branch of service to which I may attach myself.

I am Dear your obedient
servant. D. A. Parker

I respectfully recommend
Capt. Durant St. Parker Co. D. 28th N. C. Reg.
for Assistant Quarter Master, 28th N. C. Reg.,
to fill the vacancy caused by the promotion
of Capt. G. S. Thompson A. S. M. to Brigade S. M.
Lane's Brigade, A. P. Hill's Division, and request
that he be appointed to take rank from this date.
Capt. Parker has been twice wounded, and is
now too feeble to do good field service on foot.
In my opinion he is worthy of the appointment;
and competent to discharge the duties of the office,
while he is not likely to serve effectively as an
Infantry Officer in the approaching campaign.

Sir

I was captured
in last April with a small amount of
public money on my person which was taken
by the enemy after having made my escape from
just again with my legions. I had also in my
possession some invoices from Maj. W. C. Davidson of
Harris's Brigade which were taken. I have written
for copies of these invoices which I hope
can be procured from the copies to be sent of them.
I was at the time in Harris's Brigade but have
since been transferred to Davidson's. Maj. Davidson
with his brigade in the "Army of Northern Va" by
full authority shall be forthwith immediately upon
my obtaining the necessary papers. I have no means
of knowing what the contents of these invoices were
as my memorandum book had also been taken.
May I ask for information as to how I shall be enabled
for the amount of money taken from me by the
enemy

Memorandum

Your letter of the 1st. inst., I have just received. I have made no application for any appointment in the Army of the Confederate States, and do not desire that any should be made in my behalf. It so occurred to me that as I was in the military service of this State, it might be inferred that I intended to enter also into the service of the Central Govt., and that my holding office under the State might be regarded as giving me some claim upon the other. It was to show that I did not wish such a claim to be regarded at all, if it was deemed to exist, & to intimate that if the Govt. had it in contemplation to confer any appointment upon me, it would be well to substitute another in my place, that my first letter has written. But feeling a special interest in the military operations in this State, I should

to be glad to see them terminated before
I return to my own "vine & fig tree". How-
ever, if the Cause is to be benefited, I
have not objection to being superseded

forthwith —

But I will take the liberty of asking
your good offices in behalf of a young
friend of mine who is very desirous
of entering the service of the United States
as a Lieutenant of Infantry or Cavalry.
He is — Mr. Thomas S. Parker — a son
of Mr. T. S. Parker of Georgetown Vt.
Young P. is well educated & intelligent.
and is portly, robust, of as fine a
physique as I ever saw — in short, a
remarkably well cultivated man
in all respects —

I remain yours, very truly,
J. H. Traffer

Sir

Under special order of this date, Genl. Meagg directs that you will proceed in a tour of inspection, commencing in the State of Mississippi, and working back in this direction. You will visit and report on all Dep. Port & Post Quartermasters and Commissioners, and all other officers and agents of those departments, not serving in the field. Your reports must be for-
^{with trip} immediately in the field. You are to complete the duties assigned from time to time as you complete the duties at one station, or on one subject, and must be full and explicit on the following points not including matters of importance however which may be developed on points not herein indicated, viz:-

I. By what authority the officers were assigned to present duty. Copies of all orders relating thereto.

II. The nature & extent of duties performed, full and in detail.

III. Number & kind of employees. Names, ages, ranks, whether in the army, and if so copies of all orders making detail. If not in the army, by and under what authority employed. Copies of authority. Rate of compensation &c.

IV. Copies of all contracts and a full report on the manner they are executed, whether contractors are of conscript age, & by whose exempt. Copies of

papers. Whether all work is done by parties themselves; or sublet at lower rates. Look especially at Columbus, Ga. into the manufacture of clothing & at this point. See Col. H. Mustian for information.

V. Prices paid for all supplies & work, whether by impressment or in free market. Compare prices of same articles at same places, by different officers.

VI. Free Horses, & how many horses per day each officer & employee is engaged in public duties.

VII. Number of horses to each Staff-officer and employee, to which forage is issued. Whether any have horses which have been impressed for the Govt. if so, when & how obtained, and by whose authority. Copies of all orders & papers on the subject.

VIII. Whether any Officer is engaged in private business on his own account, or is a member of any firm so engaged, and whether any dealings are carried on with firms in which any such interest is held.

IX. All information of a reliable character, as to the large accumulation of fortunes by Staff-officers during their official service.

These duties are of the highest importance. They are, as now, confidential, and require tact and great circumspection. These Rumors should not be made matters of Report.

Very Respectfully so.

Medical Director Crowell

Jackson, Miss —

Sir — Yours of the 22^d inst. is at hand, and I hasten to comply with your orders.

We are aware that the number of furloughs granted was very large. The reasons for doing so are these. Nearly all had been prisoners, kept in prison from one to eight months. All had suffered either from wounds or chronic diseases. All were more in need of change of food, and the benign influences of home than medical or surgical aid. Nearly every one had been in hospital (tho' in prison) for many months; and there seemed to be little or no probability under the most favorable circumstances of their being able to do duty in the field within any short time. We therefore thought it best for them and the service to furlough them, from ten to 30 days. We have as many more in the same condition. We will suspend examinations until we hear from you. If you think our reasons not sufficient, we will cheerfully work to any rule you may please to direct.

The discharges were for Chronic Rheumatism, Tuberculosis & hereditary diseases.

Very respectfully

Sir

Permit me to call your attention to a state of affairs existing in this part of the State. There are many hundreds of Soldiers at home in good health without leave.

Since I have had Charge of the hospital here, very many who were ordered to report here, have gone home and there remained for months. I have ordered them into the hospital, and reported them to their Commanders. They disregard both. What more can I do?

What else should I do?

I was told by an officer of the 39th Imp. that they went into the late fight at Corinth with less than 300 men, when their regiment numbered near 1200. I know many of those men were at home without leave in good health. I have no disposition to be officious. I only want to know my duty and how to perform it.

Dear Sir

June 1863.

Received of you

Letter of

the 21st inst.

with the accompanying papers was duly received.

I know nothing of the contract between Dr. H. D. Parker and Dr. H. D. McKim.

Being a surgeon from my home in Clarksville Tenn. I spent the months of May June July and part of August 1862 in Brandon Mich and spent several weeks in the same place in Nov and Dec of the same year.

I know Dr. Parker had charge of the Hospital in Brandon from May to Dec & that he was very active & diligent in the discharge of his duties. Several young men with whom I was acquainted in Tenn. whose parents were old friends, were confined in the Hospital in Brandon. I went to see them twice if not oftener saw the comforts that had been provided for them by Dr. Parker & Dr. McKim.

I am, Dear Sir, Very Respectfully,

Yours Truly,

and closed the condition of the Hospital,
and was well attended & the attention
of the Faculty to the staff was the subject
of general praise in Brandon especially
the persons, with whom I associated
many fine customs to which I owe
my debt. The Dr. devoted himself
almost exclusively to the sick in the
Hospital & certainly deserves not only
pay, but high commendation.

He is a man of decided ability as
a Surgeon & is destined to rise very
high in his profession.

From May till about the 10th of
August I saw him in attendance at
the Hospital in Brandon, when he
continued there, after the termination
of Congress in Nov. & he was still
in the regular discharge of the
duties of Hospital Physician.

This comprises all the
information I can impart.

I think his change a moderate
one, & that he ought to be paid
I do not know whether his claims
is proven according to the regulations,
above now you are the better judge.

Very yours

Dear Sir

Your note of
the 21st inst. with the accompanying
papers was recd. in day.

I am a surgeon & have been
contracted to leave Dr. J. D. Foster
and Dr. J. D. Foster.

Being a surgeon, I have
been some in Charleston S. C.
I spent the months of May June
and part of the year 1862 in
Brendon this and spent several
months in the same place in 1861
and Dec. of the same year.

I know Dr. Foster and was
at the Hospital in Brendon

very attentive & diligent in the dis-
charge of his duties. I have young
men with whom I was acquainted
in San Antonio, Tex. and
kindly were conveyed in the Hospital
in Brendon. I went to see them & view
of the officers saw the comforts that were
been provided for them by Dr. Foster & others.

man who is intended & the manner
of his service is the best that can be expected
of general practice in Brandon especially
in seasons, not known & of course
many more visitors, to which some of
your case. The Dr. does not seem to
depend exclusively to the sick in the
hospital & certainly receives not only
pay, but high commendation.

He is a man of decided ability as
a surgeon & is destined to rise high
in his profession.

From May he is about in 10th of
August I saw him in attendance at
the Hospital in Brandon, & from it
returned there, after the termination
of his service here. He has still

duties of Hospital Physician.

His compensation is an
improvement I can assure.

I think his charge is moderate

Sir
As directed by you
I drafted a letter of enquiry to Surgeon
N. J. Cronell - enquiring as to the where
abouts of Surgeon N. Boyeman. Several
months have now elapsed, and I get no
answer. I have made frequent enquiries
and learn that soon after the contract was
entered into - (in June last) he (Boyeman) resigned
and I have not been able to learn where he
is. I am at a loss to know what to do. I think
it a little hard that I should be required to
labour for the promise of a very trifling remun-
eration, and then because I cannot conduct other
persons conduct, be compelled to leave it.
I could make any required proof that the
service was rendered as per contract - But I
cannot find Dr Boyeman to procure the original
duplicate of contract. I would respectfully refer
you to Hon. S. H. Henry of Tenn. who knows all
the facts in regard to my part of the contract.
Keeping to hear from you on the subject.

teams imported from the country.
This emergency has occurred twice
since I have been stationed at

remoteness from Department Hqs

shop for the purpose of repairing
unservicable Arms. said shop
is under the charge of an ex-

with two other detailed men keep
the arms of the company in good

them are using old citizens saddles

Applications for the above equipment
have been made repeatedly but

The Hon. Secretary of War

Sir

I beg to enclose the accompanying recommendation of St. R. H. Parker for the appointment of Adjutant to the 32nd 1st P. C. Volunteers. Six of the companies of the 1st P. C. lately formed the 1st P. C. Battalion, and St. R. H. Parker was a lieutenant to one of the companies but has been hitherto acting as its Adjutant. The addition of four companies, by order of the Department, changes its organization into a Regiment. The names of all field officers of the Battalion are attached to the recommendation, and, I have understood, one of them Major Granger has been elected Colonel. I presume this recommendation complies with the rules of the Department in such cases. I cheerfully bear the testimony of a personal acquaintance with Lieut Parker, to his personal qualifications for the position.

Very respectfully &c

Richmond July 15th 1862

On the 14th of June last I was
temporarily appointed Asst Surgeon of the
10th La Regt in place of their Assistant, who
was taken prisoner at the Seven Pines. Their
Asst Mr. Weston has now rejoined his regi-
ment & my services there are no longer
necessary - This together with the fact that
I have suffered greatly from Bronchitis for
the past month & added to this an attack
of Fever which has confined me to bed
for the last six days, satisfies me that
I would be unable to render further service
for some time. I therefore respectfully
tender this my resignation

Come by Post. Sir:

I respectfully
call your attention to the fact that Simpson
& Jacobson's Factory, Cor of 25th & Franklin St
rented for a Prison Hospital has been un-
occupied since last July. At that time notice
of surrender was served upon the owner, but
upon representation of Dr. Semple, that the building
might be needed, it was retained. There are
besides this building, four other large factories
rented by the Gov. for Prison Hospitals, and
even one of these, for a great part of the time
has been empty. I would recommend that
Simpson & Jacobson's Factory be given up
to the owner, & stricken off the rolls.

Sir,

When a certificate for the arrest & delivery of a deserter is given to a soldier, it will always be necessary to state in the body of the certificate, that he was "off-duty" or on "furlough," at the time he arrested the deserter.

Other wise he is not entitled to the reward; and when the account comes to be audited, the voucher will be rejected.

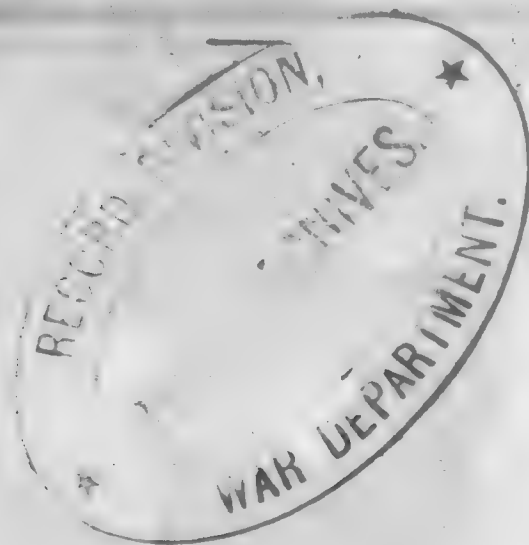

Will you be good enough to endorse on the back of each of these receipts, with your signature, that "W. M. Martin was off-duty at the time of arresting the within named deserter."

Sir

I have the honor to tender my "unconditional and immediate" resignation as Surgeon in the Provisional Army of the Confederate States.

A positive certainty of my inability (on account of health) to undergo the necessary duties incident to a campaign in this country, besides numerous private necessities has induced me to take this step. Hoping that it will meet with favorable consideration

I am very respectfully,

(Recd. July 21. 62
Ans. July 22 62

I respectfully submit the enclosed
instrument to the consideration of
the Hon. Sec. of War. I know that I can
render good service to my country, and
I greatly desire to contribute my mite
in the hour of her peril.

The service which I should prefer
would be at the head of an Indian
Bureau of Rangers, but men of this
stamp cannot now be obtaining, unless
the Hon. Sec. would & permit transfers
to be made from the same.

I am quite sure that I am qualified
to discharge the duties of U. S. Gen., or
the staff of one of our Generals, and I should
be pleased if I could obtain such appoint-
ment.

I am unwilling in the act
of solicitation, and, whilst I have suffered
the loss of an only son, I have no plea
of sacrifice to propose. My wife and

my little ones are fugitives from our
dear old home, but we are willing,
without a murmuring, to pass our
days, and our pleasure, in the integrity
of our situation.

For my selfish and my
integrity I take the liberty to refer
to my friends, Messrs. Wm. L. G. Hunt
and Messrs. M. R. G. Garnett.

I have the honor to be Mr. Secy.

I desire to serve as one of the Judges of the Military Court,
created by a recent act of Congress, and respectfully solicit the
appointment. Mr. W. C. DeFamille has placed in the hands
of the Secretary of War testimonials of my character and qualifications
which strongly recommend me for appointment, from Hon. Gen.
Pettigrew, Col. W. M. Richardson, Lieut. Col. Tyle - Officers, with
whom I have served - and Col. Wm Smith, U. C., Mr.
R. M. & Munier and Judge R. M. Coleman. I have the honor
of the friendship of my old Commanding Maj. Gen. W. H. Holmes
and could procure a recommendation from him also, had I
time to communicate with him.

For a series of years an honest supporter of the rights and independence
of the Southern States, as soon as the first blast of the bugle sounded
the note of war, I equipped my two youthful sons, and sent them
to the field. Immediately thereafter I raised a company and
entered the service myself. I desired to remain in active
service, but the election of a line in the law of Congress for the
organization of the Army, rendered it almost a truth to make
patriotism and I had rather to relax that wholesome discipline
which was essential to the efficiency of my command, or be
supplanted by intriguing subalterns. I should have been
dishonored in my own eyes if I had hesitated, I therefore
continued to maintain proper discipline and declined

Amherst Green: District Court -

Dear Sir,

I take the liberty of intruding to you Capt. John G. Parrish, recently of the 4th Regt -
1st U.S. Volunteer Infantry, commanded by Col. George W.
Richardson of Amherst. Capt. Parrish is desirous
of returning again into active service and would
be thankful for any assistance which you may
render him -

He will exhibit to you testimonials from Col. Rich-
ardson and Capt. Lyell. Col. Richardson is
well known to you and Col. Lyell is regarded
as one of the best officers in the Regiment. To
these testimonials it may not be presumptuous for
me to add that I have been personally ac-
quainted with Capt. Parrish for fifteen years
and cordially endorse their opinion as to his
great worth. He is a gentleman of superior in-
tellect, highly cultivated, of remarkable energy &
industry, high sense of honor and unflinching
courage, true and faithful in the discharge
of every duty - In one word, were I in service,
and called on to select a commander for my
company, there is not a captain in our ranks
whom I should prefer to Capt. Parrish -

The course which led to his declining being
a candidate for reelection, have been alluded
to by Col. Lyell - His course is approved by all

familiar with the circumstances - It is one of
these cases (it is to be regretted that there are nume-
-ous) in which a gentleman by his unaided ex-
-tinct has organized, equipped, and drilled a
company, but ^{when} the period for organization ap-
-proaching, finds that by the criticism of his men

-is alienated that angriest & most indig-

I had the honor about the 3^d

Just to forward a recommendation in
behalf of Adjutant Robert L. Parrish 46th
Battalion Va. Cavalry, through Mr. Loman, who I understand presented
it to the Department, but I now learn from
a letter of Mr. G. Parrish that said
recommendation cannot be found on
file. The recollection of the recommen-
dation referred to was in fact that
I was without a regular staff
and Mr. Parrish had for some
time been acting as my adjutant and
assistant, and as such, would be
qualified to do so. I would be
very anxious to have him
recommended for promotion
and I regret that I cannot do so
at present as my Inspector General
that it was not deemed proper
to promote him, as the office of
the adjutant general is
and the 46th Battalion is now
the 26th of Va. Cavalry, he
is now a captain and
adjuant. I hope however
that he will be promoted to the
rank of captain, of course
I do not know the recommendation
that is upon the recommendation
presented by my superior officers,
but presume the result will be favorable.
If the original recommendation can
not be found, still this is not a
disadvantage, as it will be the
policy of the Department to have the
recommendation of the staff officers
and I have no doubt that the
General will be able to find it.

our subsequent approval

Richmond Va June 13th 62
To His Excellency Jefferson Davis.
President C. S. A.

Sir:

Allow me to urge upon you the
claims of Dr. Jos. D. Parsons to the
appointment of assistant surgeon in
my Regiment. It is useless for me to
say to you that the services of two
assistants in the Regiment are
almost indispensable, as your
experience has long since satisfied
you of that fact. Dr. Parsons is a
graduate of the U.S. school of
medicine, and is eminently
qualified for the position. I do
hope Sir: you will consider his
claims, and cheer the hearts of
our Regiment of Texans all of
whom are his warm friends by
confirming his appointment.
I have the honor to be &c.

REBEL ARCHIVE
General.

I have the honor to request the President ^{NO. 170} ~~to~~ Brig. Gen. M. Monroe Parsons for promotion to the rank of Maj. Gen. in the Provisional Army of the Confederate States.

Gen. Parsons entered the service at the very beginning of the war as Brig. Gen. in the Mississippi State Guard, & commanded a Brigade of State troops continuously, and uninterruptedly till the 5th of November 1862 when he was appointed Brig. Gen. in the Provisional Army of the Confederate States.

Whilst in the State service he acted a conspicuous part at Booneville (whence he withdrew the State troops after their defeat at that place, Co. Bridge, The Oak Hills, Dry Wood, Lexington & Elk Horn, and did valuable service at Corinth.

After the evacuation of the latter place by our troops he came to the Trans-Miss. Dept. with his Brigade reorganized it in the Provisional Army, & in command of it, behaved with his accustomed good conduct at Prairie Grove & Helena.

By his tact, good sense, skill & military ability he has always kept his Brigade in the very highest state of discipline & efficiency & has at this time the very best Brigade in the service within this District.

I feel that no one has a better right to judge the promo-
tion of Gen. Parsons than I, under whom he has served dur-
ing the greater part of this war, & who know that his pro-
motion has not only been deserved by gallant & merito-
rious conduct upon many battle-fields, but that the
best interests of the Country will be promoted by it.
I have the honour to be

General, With the greatest respect

Yours affly

Having been appointed to the position

right to an untrammelled selection of

Sir

I enclose the
resignation of Lieut. R. J.
Parsons of Dr. M. & A. C. G. to
take effect the 8th Inst.

It is respectfully recommended
that the resignation of Lieut. Parsons
be accepted & my leave to resign
the command of Dr.

Lieut. Parsons, whilst not efficient
in business capacity, is wholly un-
fitted for the position of Dr. Master
& inefficient in the management of
affairs of the post, & his youth,
inexperience, & want of
total lack of business habits.

Trusting to have him quit his post
sincerely of his own accord and
without discredit, his resignation
is tendered at my suggestion. Very

I speak of his not being deficient in capacity, I mean that he would be regarded as a good Clerk or Bookkeeper, not that his inattention to business, or call it by its proper name, has become so confirmed, that if he is to remain in the position of Quarter Master in my Battalion, the result will necessarily be, that a large part of the duties of the office will have to be performed by the person attending there. The inconvenience of this is in my opinion very great.

It must be your observation that he is not sufficient to justify the prompt acceptance of such persons as you mention, without being examined by a competent authority.

Yours affly

I enclose you my resignation

This resignation is tendered
because of being elected to

I was elected against my wishes

willing to hold both appointments,
as I am now the age of 60
years and feel that I should not
do so as my legislative duties are
numerous and I shall be bound to
again enter in the service of the

In reply to

your inquiry as to my readiness to remove my
command. (the 4th Lt Oregon C. S. A.). I would answer
that the approach of winter, and the condition of the sick of
the command, demands ^{get} the construction of a hospital building
upon the ground of my future encampment below, before I can
move safely. I ^{will} provide against any unfortunate

contingency of short supplies of forage. Major Macklin & Gen
Hebert, gave me assurance of some 12 days rations of forage
being provided at or near Clear Creek station on the 3^d & H. R. R.
before I took up the line of march. It is also necessary that
forage be provided by Rail, in advance upon the line of the
R. R. for the march from Hempstead to Clear Creek Station. (a
four days march.

I shall at my earliest official
convenience visit the scene of the encampment below, and select the
ground, as authorized by Gen Hebert. When the Hospital, and a granary
~~is constructed~~. I will at once designate to you by report, or in person
the locality, and when the hospital has building, (and I would

erected a grainery, for the preservation of corn) is
constructed, and the supplies of corn & fodder
above asked for are deposited at Clear Creek
station. I am ready to move.

~~You may see~~ It may be wisdom
to defer further action of any sort until I make
a visit below and thoroughly examine the country
designated for encampment, & again see Gen
Hebert, upon the subject.

You shall be officially advised
of any action in the premises

An order to Capt Wharton, dated

would relieve Capt Wharton of the responsibility, of supplying articles

Hon. B. Mitchell, - Richmond

Dear Sir

I am now

in command at this place. Col Parsons
Texas B. Regt. Cavalry commands
a portion of my command. With Col
Parsons both of us have been
long acquainted - his distinguished
gallant & meritorious services as a
Cavalry Officer
well known in this Dept. Since
however I have been intimately associ-
ated with Col Parsons my previous
actions & his personal daring & qual-
ifications & commands have not only
been confirmed but elevated.

He has long commanded a Brigade
in front, & discharged with great
success all the duties & responsibilities
of a General Officer. His
ability his conduct has demonstrated
his entire ability to discharge all
the onerous & responsible duties of
a General Officer. His services have
in your opinion, certainly won
for ^{him} that position.

Would it be asking too much of
you to request of you to interest
yourself in Col Parsons' case &
endeavor to procure his promotion?
In pursuing this request I am
as you, I trust, will feel justified
in stating only by a desire to see
merit rewarded. I can not
think of Col Parsons' long service,

his dash & gallantry, and the great
good he has done for our State &
South without entertaining a desire
to see him promoted.

I am sure nothing in Col. Parsons
future, should you interest yourself
for him, ^{will} ever cause you to regret
such a step.

Will you then interest yourself in
this matter & recommend by pro-
curing for Col. Parsons a Brigadier
General's Commission? I entertain the
subject without hesitation to your
own sense of justice & fairness.

St. Louis, Mo. Dec. 1861. will
relate to you all the news.

Hon. J. H. Garland - Richmond

My dear friend

This will be

handed to you by St. Louis of Col
Parsons Texas Cavalry Brigade.
This Brigade, Parsons, forms a
part of my command at this place.

Of Col Parsons it is worth to
me to speak to you - for as a
gentleman with ^{his} antecedents and
gallant services. I can recollect
well not only what gallant deeds
he won for himself upon the Lone
Arkansas, but in every section where
he has been sent.

I send this merely to request you

interest in obtaining Col. Parsons' promotion to the office of Brigadier General. He has long discharged all the duties & responsibilities of a General Officer and has fairly & honorably "won his spurs" in the field.

In answering this request I am actuated partly by a desire to see merit rewarded.

It is also necessary for me to support this matter to you. I know, to secure your hearty aid & endeavor. I am satisfied that your own love of justice and sense of fairness will do the rest.

I have written also upon this subject to Hon. R. L. Johnson & L. B. Mitchell, & now at length

You are too well acquainted with
the length of service, the untiring energy,
the ready resources of Col Parsons
and a clashing literary opinion to
make it necessary to say more
upon this subject.

To treat Col Parsons must begin
with a difference of opinion - argues
a fair return for the service he has
done our State & South.

I leave the matter unreservedly
in your hands. My only object in
writing this must also be my excuse
for troubling you at all - a desire
to see justice done & merit properly
rewarded.

St Louis will give you all the
news. I wish you all domestic
hoppings, health &c. Very truly yours

Dear Sir

My long personal acquaintance with each of you, induces me with little you this note in regard to the promotion of Col H H Parsons — I know that you like myself have witnessed everything in the sweep of the Revolution in which we are now engaged; this is a time when personal considerations should weigh nothing, but everything should be made to bend to the successful accomplishment of the glorious enterprise in which we are engaged — Col Parsons belongs to that class of officers known as the useful & distinguished from the ornamental. He has the capacity to command, he has the confidence of those his troops place under his command — men find officers have expressed great admiration at his not having been promoted. He has lately been doing service in Siberia with our Vice Adm. that he be promoted to a Brig General — I know his promotion would be advantageous to our Cause

you will not be of service to a meritorious
officer, but at the same time he renders
the Country valuable service. It is
no personal predilection for the man
that causes me to say this, but his
honest desire to see our Army well

his long command of a Brigade of
Cavalry, consisting of the 13, 15, 19, 21st Regts
